Your Perfect Lap

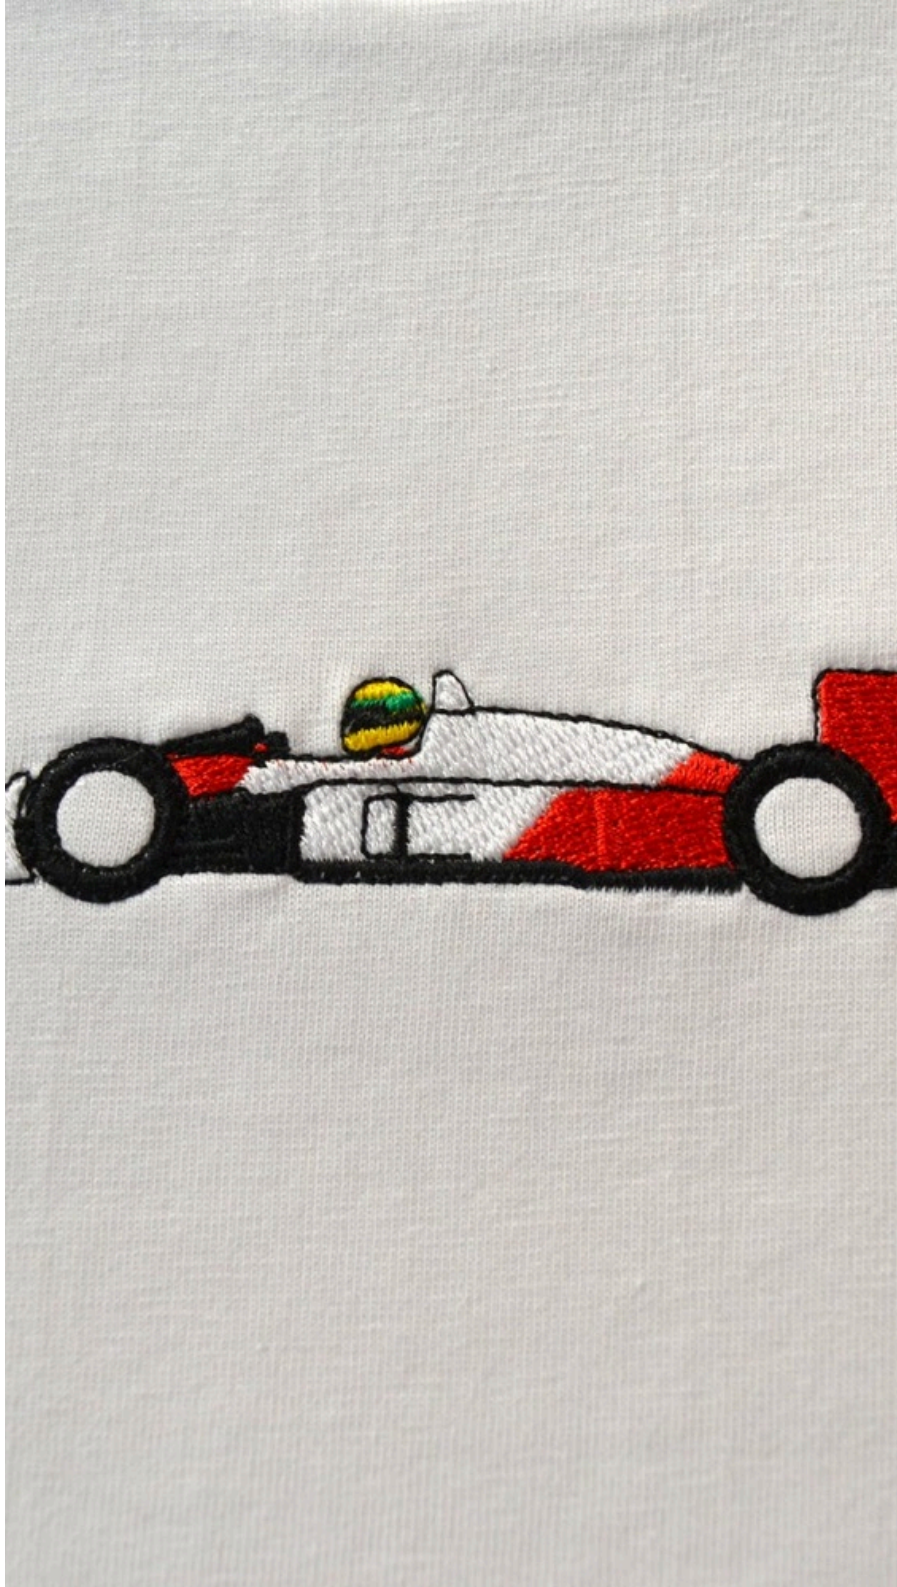

DESIGNED IN ITALY · EMBROIDERED IN ITALY

Car culture, quietly.

LuckyLap is an Italian car-culture label. Each T-shirt carries a single silhouette of an iconic car, drawn in our studio in Italy and embroidered in Italy on certified organic cotton.

No big logos and no livery: a detail that the people who know will recognise. We call it Quiet Luxury.

MILAN	In store in central Milan, a minute's walk from Piazza del Duomo, where the T-shirts sell well.
PORSCHE CLUB TOSCANA	150 bespoke T-shirts for the club, with the club crest embroidered on the sleeve.
FORMULA 1	Among the people who wear our T-shirts are Formula 1 drivers.

For your event

We design every graphic ourselves, so a T-shirt for your event can carry the car that defines it and your logo, embroidered with the same care as our collection.
