Your Perfect Lap

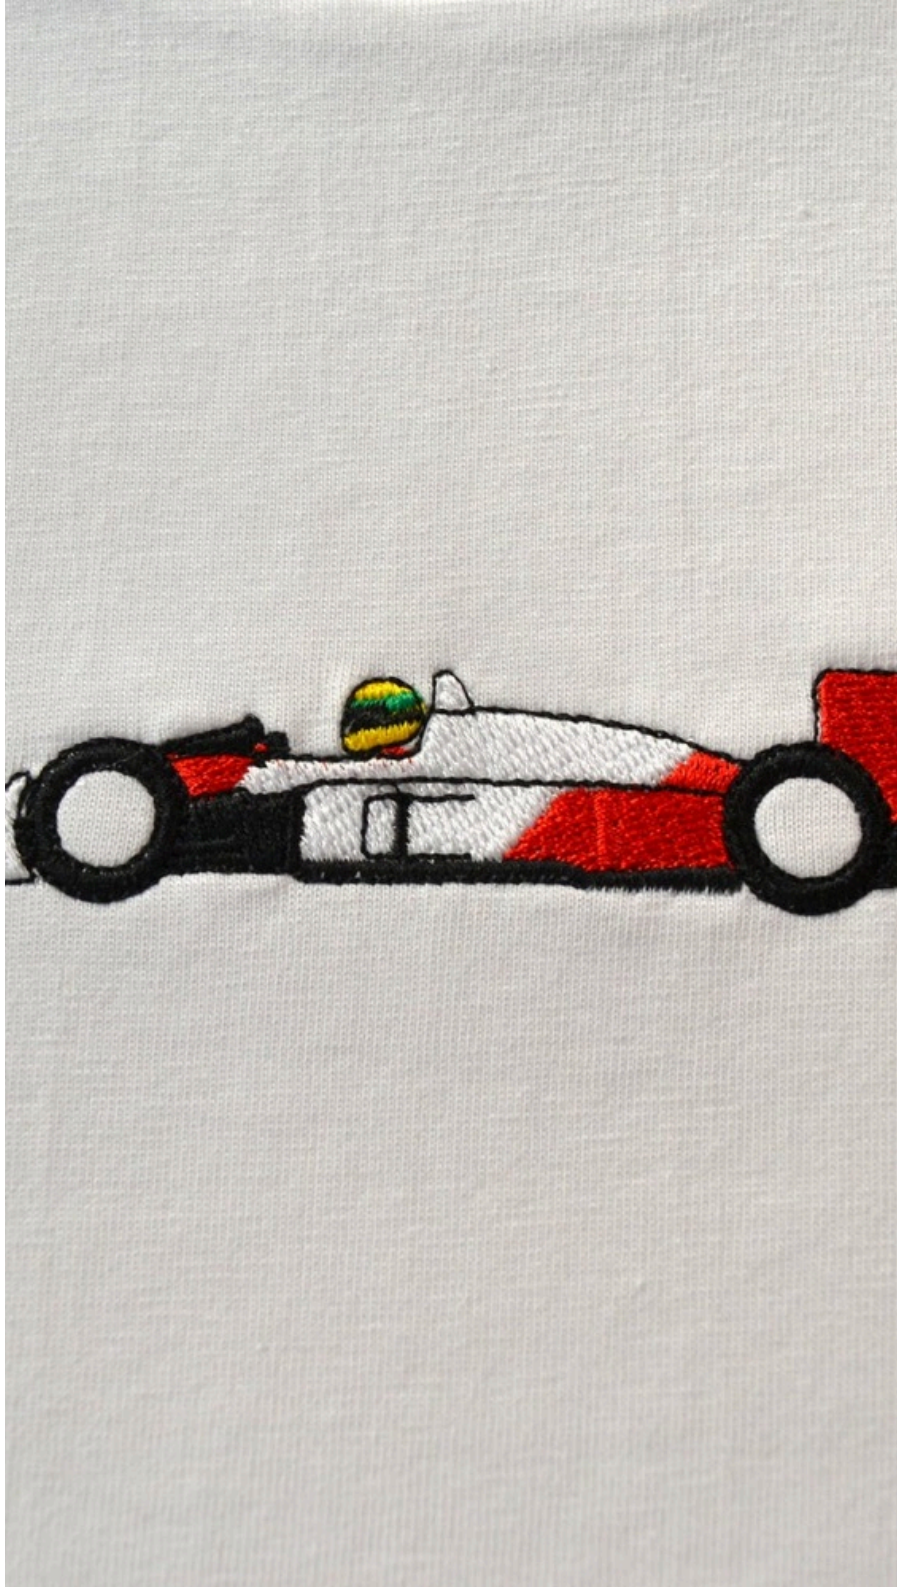

DESIGNED IN ITALY · EMBROIDERED IN ITALY

Car culture, quietly.

LuckyLap is an Italian car-culture label. Each T-shirt carries a single silhouette of an iconic car, drawn in our studio in Italy and embroidered in Italy on certified organic cotton.

No big logos and no livery: a detail that the people who know will recognise. We call it Quiet Luxury.

MILAN	In store in central Milan, a minute's walk from Piazza del Duomo, where the T-shirts sell well.
PORSCHE CLUB TOSCANA	150 bespoke T-shirts for the club, with the club crest embroidered on the sleeve.
FORMULA 1	Among the people who wear our T-shirts are Formula 1 drivers.

Make one together

A LuckyLap collaboration starts from your world: the car you love, your name, your audience. We draw it, embroider it in Italy and pack it in our box.

Your car

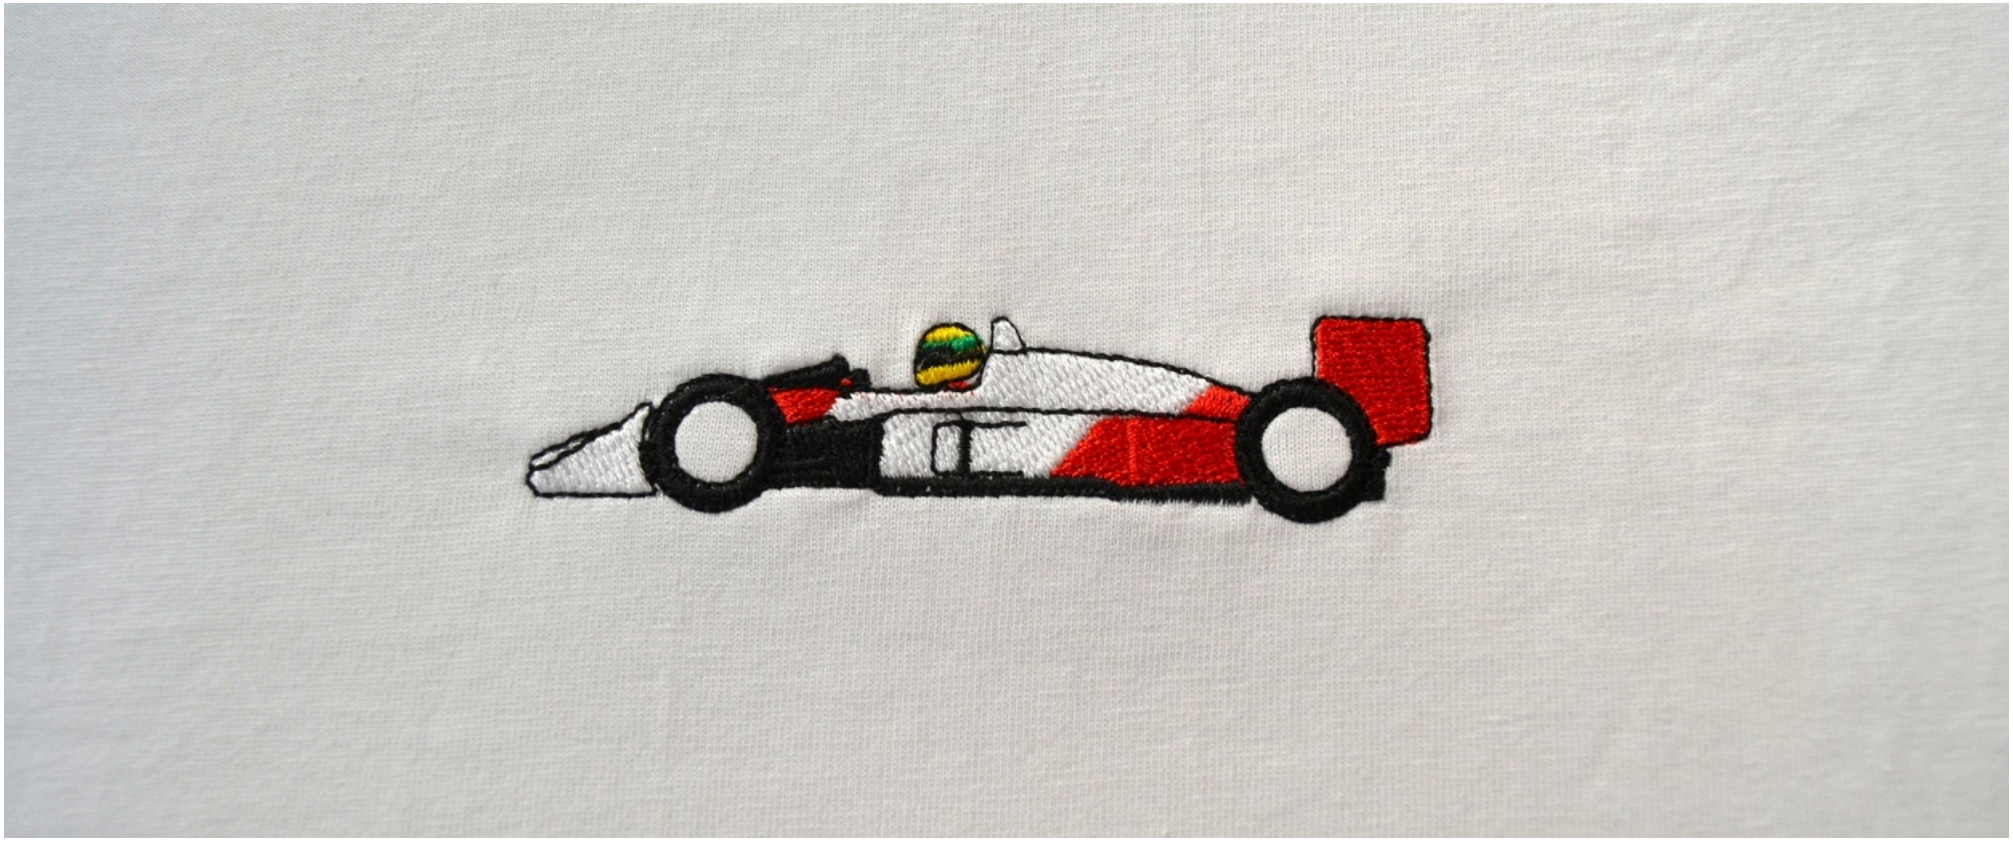

Any car, drawn by our studio as a single, quiet silhouette.

Your logo

Embroidered on the sleeve or the back, as we did for the Porsche Club Toscana.

Among the people who wear our T-shirts are Formula 1 drivers; the Porsche Club Toscana chose us for 150 bespoke pieces.
