Your Perfect Lap

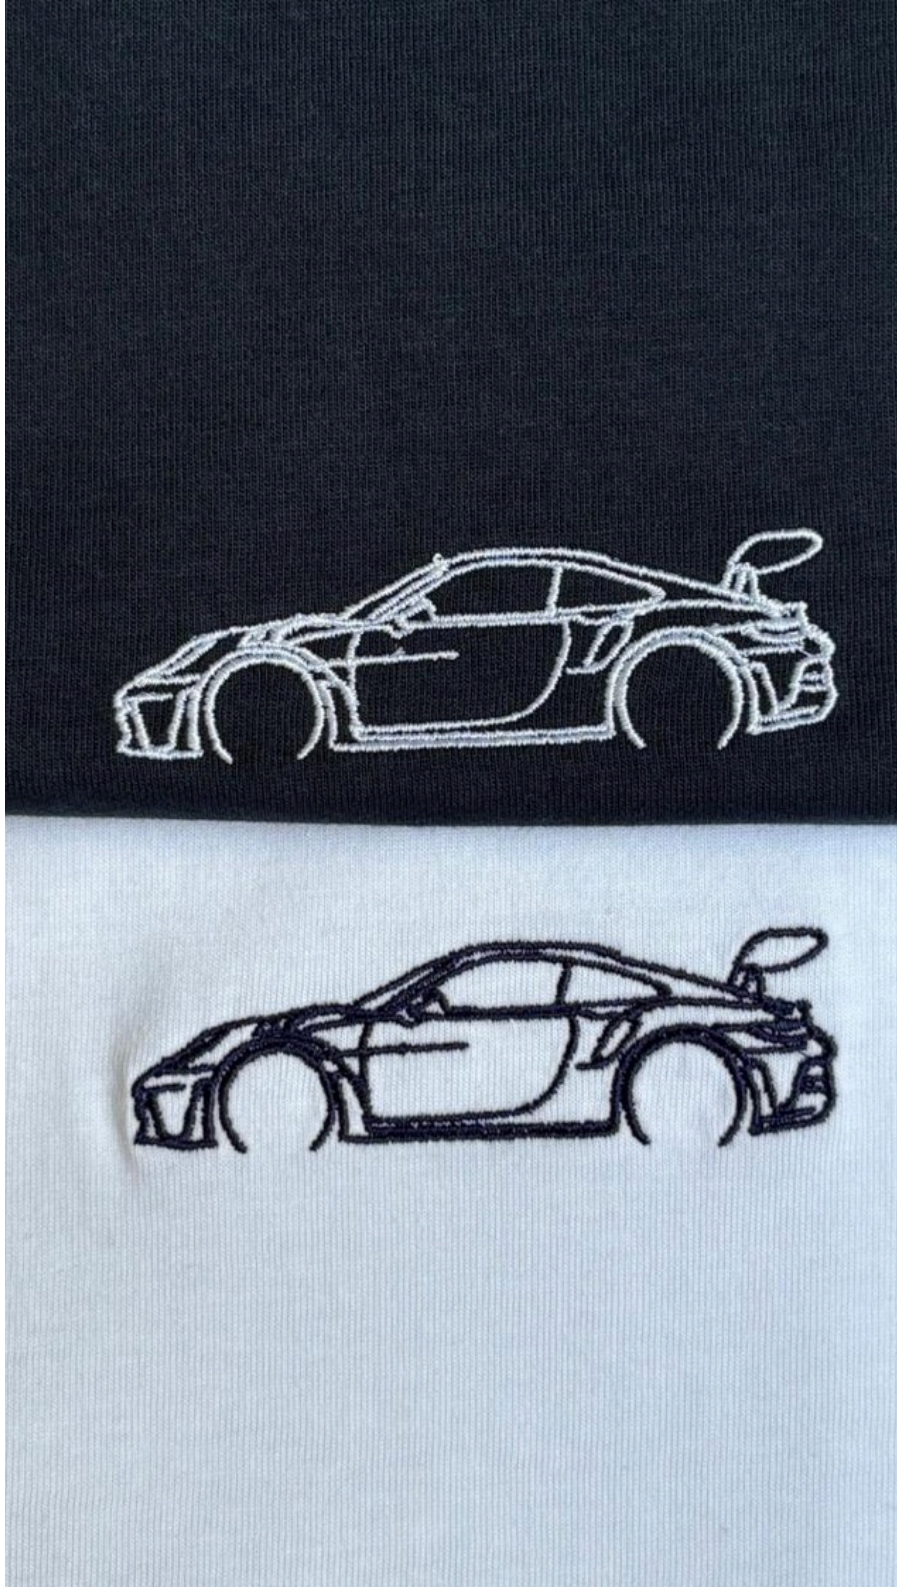

DESIGNED IN ITALY · EMBROIDERED IN ITALY

Car culture, quietly.

LuckyLap is an Italian car-culture label. Each T-shirt carries a single silhouette of an iconic car, drawn in our studio in Italy and embroidered in Italy on certified organic cotton.

No big logos and no livery: a detail that the people who know will recognise. We call it Quiet Luxury.

MILAN	In store in central Milan, a minute's walk from Piazza del Duomo, where the T-shirts sell well.
CLUB COLLABORATION	Custom T-shirts made for a car club, with its crest embroidered on the sleeve.
FORMULA 1	Among the people who wear our T-shirts are Formula 1 drivers.

For your club

We worked with a car club to make bespoke T-shirts featuring the club crest embroidered on the sleeve. We can do the same for your members, your meetings and your events.

Your crest

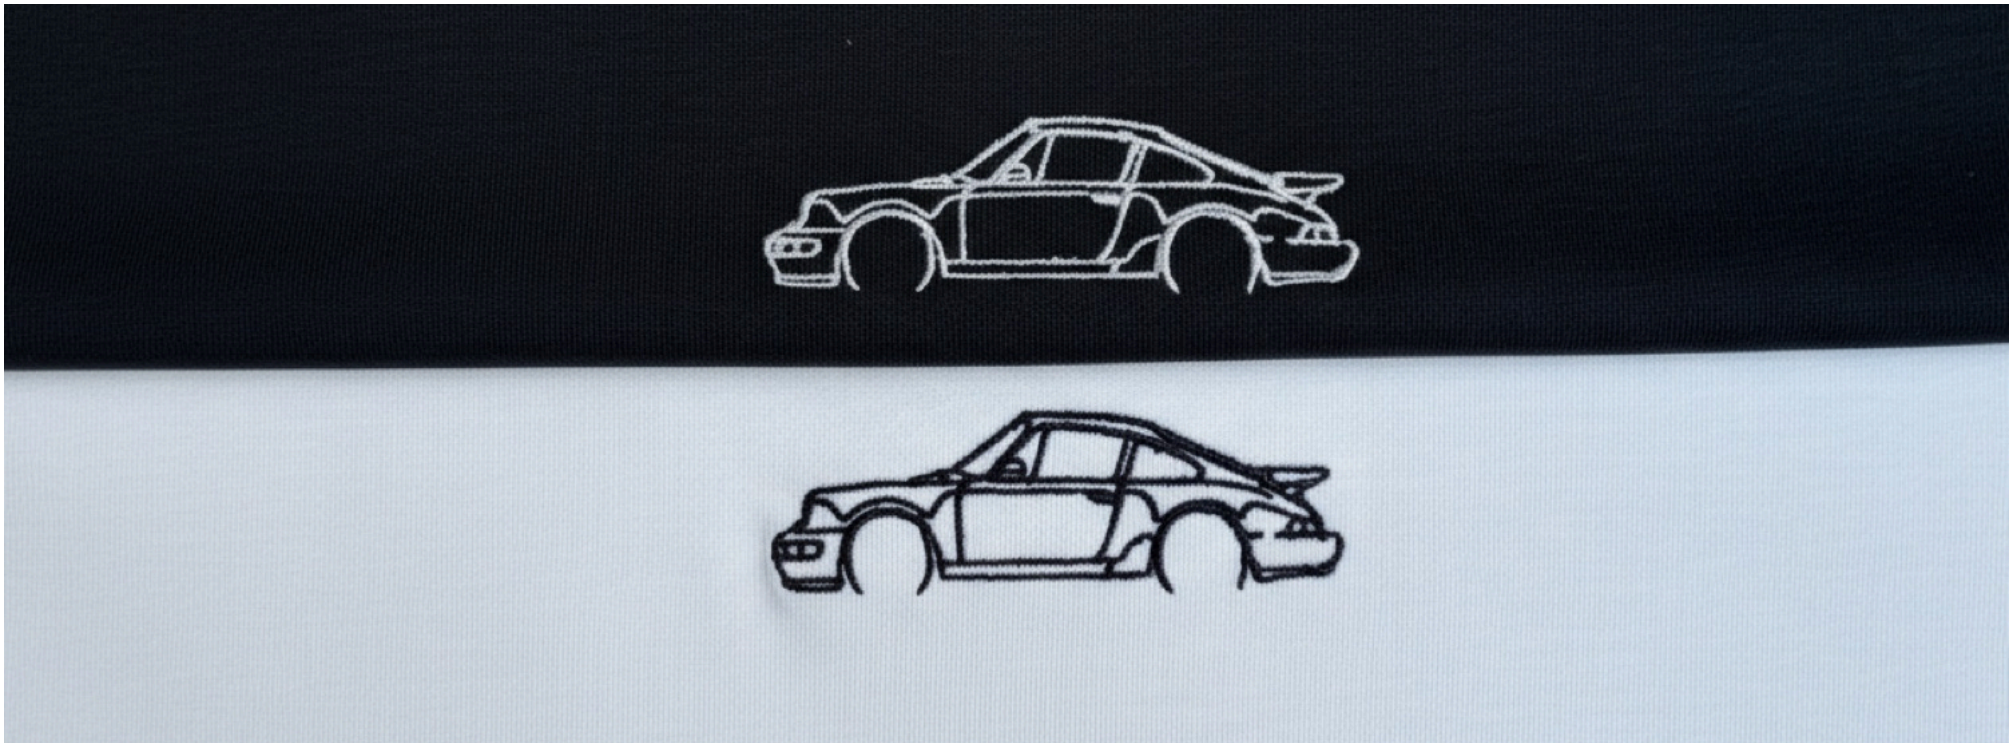

Embroidered on the sleeve. Our embroiderer is certified for Porsche Club work and follows the federation's rules for the club crest.

Your models

The 964 and the GT3RS from our collection, or any model your members drive, drawn by our studio.

For members and events

A members' T-shirt, a welcome kit for a meeting or a tour, or a small stand at your events.

Wholesale prices and terms on request.
